North Dakota Dental Foundation

ND dental patients-in-need, just like Carol, need you!

Please consider having either yourself or your business sign-up to match employee gifts this Giving Hearts Day (Feb. 11th), which will triple your impact to improve oral health in North Dakota with gifts to NDDF. Here's how:

1. By Jan 29th, email [ashley@niddental.org](mailto:ashley@niddental.org) to say, "*Hey Ashley, I would love to match employee gifts to NDDF this Giving Hearts Day!*"
2. Set a donation goal (*suggested match donation of at least \$10 / employee or \$500 of total emp. gifts*).
3. Receive a custom link by Feb. 8th to send to employees, friends, and family to raise your donation goal for NDDF on Feb 11th, (We'll recognize all matching sponsors on our website).

With gratitude,

Michael J. Little, NDDF Executive Director
